

Inspirational Teachers School

EYFS – MODULE ONE ASSIGNMENT.

DUE DATE: 6PM 9TH DECEMBER 2018

Background.

One of the four overarching principles is that every child is unique. This means that practitioners recognise that every child is a competent learner who can be resilient, capable, confident and self-assured. Also they value the fact that children develop in individual ways and at varying rates.

Task

Read the document on UNIQUE child.

Create 6 'unique child' profiles for six children in your setting. You may design your own profile or use the template. You need to observe the children and ask questions about them to create a background of them.

Thank you.

Sophia Ovonlen, Lead Trainer.
