# How to Write A Good Story

## Opening

Introduce the characters and the location of the story.

## Setting

Where is your story set?  
Is it in a forest, a town,  
in the park or  
somewhere else?

## Resolution

Write about how the problem will  
be fixed. Think about how the  
characters might work together to  
solve whatever has gone wrong.

## Closing

Bring everything in the  
story to an end and  
make sure the problem  
has been fixed.

## Characters

Who are the characters in  
your story?

## Build-up

Begin to write about what is happening  
at the start of your story. Don't forget  
to use the characters you introduced at  
the beginning of your story.

## Dilemma

Write about a problem  
that is happening in  
your story. What is it  
that has gone wrong?
